The screenshot shows a handheld device screen with a dark header bar. On the left of the header is a small logo, followed by the text "CASINOce v1.13". On the right of the header is a signal strength indicator, the time "11:07", and a close button (X). Below the header, the text "Please select denom." is displayed next to a dropdown menu showing ".00". Below this is the instruction "Double click a player for more info.". A large, empty rectangular area occupies the center of the screen. At the bottom of this area is a horizontal scrollbar. Below the main area are two buttons: "Ok" on the left and "Return" on the right. At the very bottom of the screen is a small keyboard icon and a right-pointing arrow.

The screenshot shows a handheld device screen with a dark header bar. The header bar contains a small logo on the left, the text 'CASINOce v1.13' in the center, and a signal strength indicator, the time '11:22', and a close button on the right. Below the header, the screen displays several fields and buttons:

- Account:** A label followed by a blank space.
- Date:** A label followed by the text '2002-06-21 11:21:30'. A line connects this field to the label '204' on the right.
- Mach#:** A label followed by the text '1019'. A line connects this field to the label '206' on the right.
- Amount:** A label followed by a text input field containing '3.00'. A line connects this field to the label '208' on the right.
- Mach Amt:** A label followed by the text '.00'. A line connects this field to the label '210' on the right.
- HPCC:** A label followed by a small square checkbox. A line connects this field to the label '212' on the right.
- Reel Symbols:** A label followed by a large rectangular text input field. A line connects this field to the label '214' on the right.
- Buttons:** At the bottom of the screen are two buttons labeled 'Verify' and 'Cancel'. A line connects the 'Verify' button to the label '215' on the left.

At the bottom right of the screen, there is a small icon of a keyboard and an upward-pointing arrow.

Detailed description of FIG. 43: This is a screenshot of a handheld device screen displaying a software interface for casino management. The screen is divided into several sections. At the top, there is a title bar with the text 'CASINOce v1.13' and a clock showing '11:10'. Below the title bar, there is a statistics section with three rows: 'Recommended: 0', 'Recent: -218', and 'Historical: -279'. Below this, there is a section for compensation with a label 'Comp To:' followed by the text 'VILLAGE SQUARE'. Below that, there are two input fields: 'Date:' with the value '6 /21/02' and a dropdown arrow, and 'Covers:' with the value '1' and a dropdown arrow. Below these, there is a 'Limit:' field with the value '.00'. Below the limit field, there is a 'Comp Reason' field with a dropdown arrow. Below the reason field, there is a 'Name:' field. Below the name field, there is a 'Comments' field. At the bottom of the screen, there are two buttons: 'Ok' and 'Cancel'. A large arrow points to the top of the screen from the left. Various reference numerals are placed around the screen to identify specific elements.

The screenshot displays the CASINOce v1.13 mobile application interface. At the top, the status bar shows the application name, version, time (11:10), and a close button. The main form contains two identification sections. The first section, labeled 'Identification #1' (450), has a text input field and a dropdown menu set to 'Social Security #'. The second section, labeled 'Identification #2' (452), also has a text input field and a dropdown menu set to 'Drivers License'. Below these is a 'W2G Nationality:' (454) text input field. The bottom of the form shows the 'Last Verified' timestamp (2002-06-04 12:01:57) and the user 'Verified By: MCNABBT'. At the very bottom (456) are three buttons: 'VERIFY', 'RETURN', and 'CANCEL'. A reference number 448 points to the top-left corner of the application window.
